

THE COLESHILL SCHOOL - BEST GCSE RESULTS EVER

Students are celebrating the highest results at GCSE in the school's history. 48% of students have achieved 5A*-C qualifications including English and Mathematics, a rise of 5% on the previous year. In addition a rise of 12% to 82% reflects the school's commitment to ensuring all students achieve their potential. No student will leave Y11 without a qualification this year.

Some of our students who have achieved outstanding results:

Joshua Smith with 9 A* - A grades

Ellen Finch, Charlotte White and Kharis Brown each with 8 A* - A grades

James Hines-Randle , Bethany Murtagh and Jonathan Toy each with 7 A* - A grades

Thomas Mussett with 6 A* - A grades

Another indication of our rapidly improving progress is the achievement of our Year 9 and 10 cohorts. In Year 10 61% of students achieved a grade C or above in English and 46% in Mathematics. This means by Summer 2012 our students will be far exceeding national averages.

Some of our outstanding performers in Year 10 include:

3 A* - A Grades

Alec Edwards

Katie Nield

Kate Pickersgill

2 A* -A Grades

Emily Birch

Joseph Coggan

Scott Stowe

Abigail Brookes

Benjamin Champion

Danielle Hunt

We would like to congratulate all our students on their success and wish them well for the future, whether they are coming to join us in our Sixth Form or going onto other Post 16 pathways. We are proud of all our students and the results they have achieved in a school which is truly comprehensive and aims to help students achieve their full potential through a relentless focus on learning and achievement.
